Report of the Town Clerk

WARRANT FOR ANNUAL TOWN MEETING, 1932

Commonwealth of Massachusetts

Bristol, ss.

To either of the Constables of the Town of Easton in the
County of Bristol, Greeting:

In the name of the Commonwealth of Massachusetts you are directed to notify and warn the inhabitants of the Town of Easton, qualified to vote in elections and town affairs, to meet in the Town Hall in said Easton, on Monday, the seventh day of March next, at eight o'clock P. M., then and there to act upon the following articles:

ARTICLE 1. To see if the Town will accept the reports of the Selectmen, Assessors, Board of Public Welfare, Town Clerk, Treasurer, Collector of Taxes, Board of Health, School Committee, and Tree Warden.

ARTICLE 2. To raise such sums of money as may be necessary to defray the town charges for the ensuing year, and make appropriations for the same.

ARTICLE 3. To see if the Town will authorize the Town Treasurer, with the approval of the Selectmen, to borrow money on and after January 1, 1933, in anticipation of revenue of the financial year beginning January 1, 1933, and issue notes of the Town therefor.

ARTICLE 4. To see if the Town will raise and appropriate the sum of \$1,584.26 for certain unpaid bills of the Welfare Department for the years 1926 to 1930 inclusive; also the sum of \$271.15 for 1931 bills submitted after the close of the year.

ARTICLE 5. To see if the Town will raise and appropriate the sum of \$142.08 for unpaid bills of the Soldiers Relief Department for the year 1930.

ARTICLE 6. To see if the Town will vote to accept as a town way an extension of Holmes Street, as laid out by the Selectmen.

ARTICLE 7. To see if the Town will vote to accept as a town way the easterly corner of Day and Barrows Streets, as laid out by the Selectmen.

ARTICLE 8. To see if the Town will vote to install a traffic signal at Alger's Corner in conjunction with the Public Works Department of the State, the Town to bear one-half the expense; and raise and appropriate \$1000 for the same.

ARTICLE 9. To see if the Town will vote to purchase a truck for the Highway Department, cost not to exceed \$1000.

ARTICLE 10. To see if the Town will vote to authorize the Selectmen to sell and convey whatever interest the Town may have in the Bolton property, so called, on Howard Street, for a sufficient consideration.

ARTICLE 11. To see if the Town will vote to instruct the School Committee to allow recognized organizations and athletic teams the use of the Oliver Ames High School Auditorium for the actual cost of opening and closing the building. (By petition)

ARTICLE 12. To see if the Town will vote to extend the use of the facilities of the Auditorium of the Oliver Ames High School free of all rental and expense not to exceed six occasions in each calendar year to the George S. Shepard Post No. 7, The American Legion. (By petition)

ARTICLE 13. To receive and consider the report of the committee appointed to consider school costs, expenses, and administration, and take any action to carry out the recommendations contained therein.

ARTICLE 14. To see if the Town will vote to authorize and instruct the Town Counsel to bring a bill for instructions in respect to the meaning of the condition in the twelfth paragraph of the will of Oliver Ames creating the Oliver Ames School Fund, so called.

ARTICLE 15. To see if the Town will vote to raise and appropriate the sum of \$360 for Memorial Day, to be expended under the direction of George S. Shepard Post, No. 7, American Legion.

ARTICLE 16. To transact any other business that may legally come before said meeting.

You are also directed to notify and warn the inhabitants of the Town of Easton, qualified to vote in elections, residing in Precinct One (1) to meet at the Town Hall, those residing in Precinct Two (2) to meet at Ames Memorial Hall, those residing in Precinct Three (3) to meet at the South Easton Schoolhouse, on Monday, the 14th day of March next, at fifteen minutes before six o'clock in the forenoon, to bring in their votes, all on one ballot, for one member of the Board of Assessors, for three members of the Board of Selectmen, three members of the Board of Public Welfare, three members of the School Committee, two to be elected for a term of three years each and one to be elected for a term of one year, Moderator, Town Clerk, Treasurer, Collector of Taxes, Tree Warden, and a Finance Committee of fifteen for a term of one year.

The polls will be open at fifteen minutes before six o'clock A. M. and shall be closed at three o'clock P. M.

And you are directed to serve this warrant by posting attested copies thereof, one at each meeting house, and post office and one at the Town Hall, seven days at least before the time of holding said meeting.

Hereof fail not, and make due return of this warrant with your doings thereon, to the Town Clerk, at the time and

place of holding said meeting, and said Town Clerk is hereby required to make return of this warrant to the Warden or Deputy Warden at the time and place of holding said meeting for the election of officers, and said Warden is required to make return of this warrant to the Town Clerk together with his return of officers elected, at the close of said meeting.

Given under our hands this 23rd day of February, 1932.

JOSEPH W. LINEHAN,
FRANK C. WADE,
ALBERT E. WOOD,

Selectmen of Easton.

Bristol, ss.

Easton, February 27, 1932.

By virtue hereof and as within directed, I have this day served the within warrant.

ELISHA T. ELLIS,

Contable of Easton.

A true copy of the warrant and return thereon.

Attest:

HARRY R. FRANKLIN,

Town Clerk.

ANNUAL TOWN MEETING, MARCH 7, 1932

The meeting was called to order at eight o'clock P. M. and the warrant read by the Moderator, Leo M. Harlow.

ARTICLE 1. Voted to accept the report of the Selectmen.

Voted to accept the report of the Assessors of Taxes.

Voted to accept the reports of the Board of Public Welfare, Town Clerk, Treasurer, Collector of Taxes, Board of Health, School Committee, Tree Warden and Town Accountant.

ARTICLE 2. Upon motion of Mr. William N. Howard, Chairman of the Finance Committee, the following appropriations were voted for the year 1932:

Voted to raise and appropriate the sum of \$500.00 for Assessors' Expense.

Voted to raise and appropriate the sum of \$1200.00 for salary of Assistant to the Town Clerk, Treasurer and Collector of Taxes.

Voted to raise and appropriate the sum of \$800.00 for Election Expenses.

Voted to raise and appropriate the sum of \$4500.00 for the Fire Department.

Voted to raise and appropriate the sum of \$2000.00 for Reserve Fund.

Voted to raise and appropriate the sum of \$300.00 for Forest Warden's Salary.

Voted to raise and appropriate the sum of \$3000.00 for the Board of Health.

Voted to raise and appropriate the sum of \$150.00 for Inspection of Animals.

Voted to raise and appropriate the sum of \$150.00 for Incidentals.

Voted to raise and appropriate the sum of \$600.00 for Legal Expense.

Motion to raise and appropriate \$2000.00 for the Moth Department was amended to \$1000.00, and it was then voted to raise and appropriate \$1000.00 for the Moth Department.

Voted to raise and appropriate the sum of \$8000.00 for Old Age Assistance.

Voted to raise and appropriate the sum of \$6300.00 for the Police Department.

Voted to raise and appropriate the sum of \$492.00 for Pensions.

Voted to raise and appropriate the sum of \$13,500.00 for Public Welfare.

Voted to raise and appropriate the sum of \$20,000.00 for the Road Department.

Voted to raise and appropriate the sum of \$250.00 for Registrars of Voters' Expense.

Voted to raise and appropriate the sum of \$225.00 for Salaries of Registrars of Voters.

Voted to raise and appropriate the sum of \$800.00 for Rent and Furnishings of Town Office.

Voted to raise and appropriate the sum of \$500.00 for Sealer of Weights and Measures

Voted to raise and appropriate the sum of \$1500.00 for Soldiers' Relief.

Voted to raise and appropriate the sum of \$200.00 for Selectmen's Expense.

Voted to raise and appropriate the sum of \$160.00 for State Aid.

Voted to raise and appropriate the sum of \$550.00 for Tax Collector's Expense.

Voted to raise and appropriate the sum of \$75.00 for Town Accountant's Expense.

Voted to raise and appropriate the sum of \$500.00 for Town Accountant's Salary.

Voted to raise and appropriate the sum of \$200.00 for Town Clerk's Expense.

Voted to raise and appropriate the sum of \$4000.00 for maintenance of the Town Infirmary.

Voted to raise and appropriate the sum of \$150.00 for maintenance of Town Hall.

Voted to raise and appropriate the sum of \$5825.00 for Town Officers' Salaries.

Voted to raise and appropriate the sum of \$600.00 for Town Physician.

Voted to raise and appropriate the sum of \$250.00 for Town Treasurer's Expense.

Voted to raise and appropriate the sum of \$2500.00 for the Tree Department.

Voted to raise and appropriate the sum of \$560.00 for Town Reports.

Voted that the earned interest on the World War Memorial Fund for the year 1931, namely \$401.99, be added to the principal of the Fund.

ARTICLE 3. Voted that the Treasurer, with the approval of the Selectmen, be and hereby is authorized to borrow from time to time on and after January 1, 1933, in anticipation of revenue of the financial year 1933, and to issue a note or notes of the Town therefor, payable within one year, any debt or debts incurred under authority of this vote to be expressly made payable from revenue of the financial year 1933.

Voted that the sum of \$3500.00 be raised and appropriated for the payment of interest on notes issued under authority of this article.

ARTICLE 4. Voted to raise and appropriate the sum of \$1855.41 for unpaid bills of the Welfare Department for the years 1926 to 1931 inclusive.

ARTICLE 5. Voted to raise and appropriate the sum of \$142.08 for unpaid bills of the Soldiers' Relief Department for the year 1930.

ARTICLE 6. Voted that the Town accept as a town way the extension of Holmes Street as laid out by the Selectmen.

ARTICLE 7. Voted that the Town accept as a town way the easterly corner of Day and Barrows Streets, as laid out by the Selectmen.

It was further voted that a vote of appreciation be extended to all the abutters who have given portions of their land in improving Day and Barrows Streets and other highways in 1931, the Town Clerk to record the vote and advise the persons concerned.

ARTICLE 8. Voted to install a traffic signal at Alger's Corner in conjunction with the Public Works Department of the State, the town to bear one-half the expense, \$1000.00 to be taken for this purpose from the general appropriation for the Highway Department.

ARTICLE 9. Voted to purchase a truck for the Highway Department, the cost not to exceed \$1000.00, the purchase price to be taken from the general appropriation for the Highway Department.

ARTICLE 10. Voted that the Selectmen be authorized to sell and convey whatever interest the Town may have in the Bolton Place, so called, on Howard Street, for a sufficient consideration.

ARTICLE 11. Voted that recognized organizations and athletic teams composed of residents of Easton be extended the use of the Oliver Ames High School auditorium at a rental to be fixed by the School Committee.

ARTICLE 12. Dismissed.

ARTICLE 13. Voted to accept as printed the report of the committee appointed to consider school costs, expenses and administration. Voted that the sum of \$57,372.00 be raised and appropriated for the conduct of the schools until the close of the scholastic year in June.

ARTICLE 14. Voted that the Town Counsel be authorized and instructed to bring a bill for instructions in the Probate Court, in the name of and in behalf of the Inhabitants of the Town of Easton for the purpose of ascertaining with certainty, the extent of the obligation of the Town, to raise money by taxation for public schools, under present methods of taxation, in order to fulfill the conditions of the bequest of the Oliver Ames School Fund.

It was further voted that the Selectmen be directed to call a special town meeting in May to pass upon the matter of a further appropriation for the schools and any other matters relating thereto.

ARTICLE 15. Voted to raise and appropriate the sum of \$360.00 for Memorial Day, to be expended under the direction of Elijah A. Morse Camp, No. 115, Sons of Union Veterans

of the Civil War, and George S. Shepard Post No. 7, American Legion.

ARTICLE 16. Voted that the Town go on record as in favor of raising the necessary funds for the payment of old age assistance by levying a poll tax.

Mr. Edward J. Scanlon presented the report of the special committee on the matter of a town water system,—the committee reporting that in view of the size of the project it would be inadvisable to take any action at this time. Voted that the report of the committee be accepted and the committee be discharged.

Voted to adjourn.

A true record, Attest:

HARRY R. FRANKLIN,
Town Clerk.

ANNUAL TOWN ELECTION, MARCH 14, 1932

APRIL 26, 1932

The Polls were opened at 4 P. M. and closed at 8 P. M.
Number of Ballots cast: Precinct One, 15; Precinct Two, 130;
Precinct Three, 16; total 161.

Of the total vote 40 were Republican and 121 Democratic
ballots,

WARRANT FOR SPECIAL TOWN MEETING

MAY 31, 1932

Commonwealth of Massachusetts

Bristol, ss.

To either of the Constables of the Town of Easton in the
County of Bristol, Greeting:

In the name of the Commonwealth of Massachusetts you are directed to notify and warn the inhabitants of the Town of Easton, qualified to vote in elections and town affairs, to meet in Town Hall in said Easton on Tuesday, the thirty-first day of May, 1932, at eight o'clock P. M., then and there to act upon the following articles:

ARTICLE 1. To raise such further sums of money as may be necessary for the support of schools for the balance of the year, and make appropriations for the same.

ARTICLE 2. To see if the Town will vote to have the committee appointed at a special town meeting on October 19, 1931, to consider school administration, costs and expenses, continue its work and report at the annual town meeting in March, 1933.

ARTICLE 3. To transact any other business that may legally come before said meeting.

And you are directed to serve this warrant by posting attested copies thereof at each meeting house and post office in said town and at the Town Hall at least seven days before said meeting.

Given under our hands this twenty-third day of May, 1932.

LEONARD H. PORTER,

JOSEPH W. LINEHAN,

FRANK C. WADE,

Selectmen of Easton.

Easton, Mass., May 24, 1932.

I have this day served the above warrant, as directed.

ELISHA T. ELLIS,
Constable of Easton.

A true copy of the warrant and return thereon.

Attest:

HARRY R. FRANKLIN,
Town Clerk.

SPECIAL TOWN MEETING, May 31, 1932

The meeting was called to order at 8 o'clock P. M. and the warrant read by the Moderator, Leo M. Harlow.

ARTICLE 1. Under this article the Town Counsel, James F. Burke, made a report upon the petition to the Probate Court concerning the Oliver Ames School Fund, as authorized under Article 14, Annual Town Meeting of March 7, 1932.

The decree of the Court reads as follows:

"Commonwealth of Massachusetts

Bristol, ss. Probate Court May 20, 1932

On the petition in equity of the Inhabitants of the Town of Easton, a municipal corporation located in the County of Bristol, petitioner, against John S. Ames, Mary A. Frothingham, Elise A. Parker, Richard Ames, all of Easton in said County of Bristol, Olivia A. Cabot of Needham in the County of Norfolk, Olivia Ames, a minor, of Brookline in the County of Norfolk, Frederick Lothrop Ames of said Easton, Mary Ames Cushing of New York City, in the State of New York, Helen Hooper Brown of Boston in the County of Suffolk, and

the Attorney General of the Commonwealth of Massachusetts, respondents, alleging that it is the holder and beneficiary of a trust fund established by the twelfth paragraph of the will of Oliver Ames, late of said Easton, for the benefit of the public schools of said town and praying that it may be instructed:

1. As to the meaning of the words "raise by taxation" as they appear in said clause under the method of taxation, which now obtains in Massachusetts, for the purpose of raising money for the support of schools.

2. That it may be instructed as to what method or formula your petitioner should use in computing the amount to be raised by it in any year for the support of schools in order to fulfill the conditions of said bequest.

3. For such other orders and decrees as justice and equity may require.

It appearing that the Attorney General has appeared and answered and admitted the facts alleged in the petition and submitted his rights in the premises to the determination of the Court and that all other respondents have appeared and answered and admitted the allegations of the petition; it further appearing that conditions have materially changed since the will of the testator was made and probated, particularly in the methods of raising money by taxation for municipal purposes and by reason of the increase of the principal of said fund and the yield thereof; it further appearing that the answer to the second request for instructions renders an answer to the first request unnecessary, therefore in order to carry out the real intention of the testator under existing conditions, after hearing and consideration, the Court doth order and decree and instruct the petitioner as follows:

The petitioner is hereby instructed that in order to comply with the conditions in said will it shall appropriate each year for the support of its schools from funds raised by it from local taxation an amount per pupil equal to the average

amount per pupil in net average membership expended by all towns in the Commonwealth from local taxation in the previous year as computed by the Department of Education of the Commonwealth of Massachusetts.

That in computing the number of its pupils it shall take the net average membership of its schools for the previous year as computed by said Department of Education and deduct therefrom the number of pupils in the Kindergarten Grade, which Grade is not supported by taxation.

The sum of five hundred (500) dollars counsel fees is awarded James F. Burke, Esq., attorney for the petitioner and five hundred (500) dollars to David J. O'Connell, Esq., attorney for the respondents, the same to be paid from the principal of the trust fund.

Signed,

MAHEW R. HITCH,

Judge of Probate Court.

Seal of Court

A true copy;

Attest:

GUILFORD C. HATHAWAY,

Register.

It was then voted to raise and appropriate the sum of \$31,686.09, for the maintenance of the school department for the balance of the year 1932. (In addition to the amount raised at the Annual Town Meeting, \$57,372.00)

ARTICLE 2. Voted to authorize the committee appointed at a special Town Meeting, October 19, 1931, to consider school administration, costs and expenses, continue its work and report at the Annual Town Meeting in March, 1933.

ARTICLE 3. Voted to adjourn.

A true record. Attest:

HARRY R. FRANKLIN,

Town Clerk.

TOWN OF EASTON

STATE PRIMARIES, SEPT. 20, 1932

Polls opened at 4 P. M. and closed at 8 P. M. Ballots were cast as follows:

The Commonwealth of Massachusetts

November 17, 1932.

To the Election Officers in Representative District Number Two in the County of Bristol:

This certificate witnesseth, that at a legal meeting of the inhabitants of the towns of Easton, Mansfield, and Norton, in Representative District Number Two in the County of Bristol, qualified to vote for state officers, holden on the Tuesday next after the first Monday in November, being the eighth day of said month, in the year one thousand nine hundred and thirty-two, for the purpose of giving in their votes for one Representative in the General Court, for said District, all the ballots given in therefor were sorted, counted, recorded and declaration thereof made, as by law is directed, and were for the following persons, namely:

MANSFIELD

Royal B. Patriquin of Mansfield,
sixteen hundred sixty-three (1663)
Eugene B. Wilson of Mansfield, five hundred sixty-six (566)

EASTON

Royal B. Patriquin of Mansfield,
fifteen hundred seventy-eight (1578)
Eugene B. Wilson of Mansfield, one hundred sixty-three (163)

NORTON

Royal B. Patriquin of Mansfield, seven hundred two (702)
Eugene B. Wilson of Mansfield, seventy-three (73)

Blanks

Mansfield, 329; Easton, 755; Norton, 268
Whole Number of Ballots
Mansfield, 2558; Easton, 2496; Norton, 1043

(Signed)

HARRISON A. MORSE, Town Clerk of Mansfield,
HARRY R. FRANKLIN, Town Clerk of Easton,
GEORGE E. SMITH, Town Clerk of Norton.

A true copy. Attest:

HARRY R. FRANKLIN,
Town Clerk.

RECOUNT

Pursuant to petitions filed under the provisions of Section 135, Chapter 54, General Laws, for a recount of all ballots cast for Lieutenant Governor and for Sheriff of Bristol County at the State Election held November 8, 1932, the same was held at the Town Clerk's Office, Saturday afternoon, November 19, 1932, at 1:30 P. M.

TOWN OF EASTON

The result of the recount was as follows:

Notice

The attention of parents is called to the law relating to the registering of births. The present requirement is as follows:

Chap. 29, Sec. 6, of the Revised Laws. Parents within forty days after the birth of a child . . . shall cause notice thereof to be given to the clerk of the town or city in which such child is born.

Sec. 8. A parent . . . who neglects to do so for ten days after the time limited therefor . . . shall forfeit not more than five dollars for each offense.

Attention of Physicians and Midwives is called to Chap. 280, Sec. 1, Acts of 1912: Sec. 1. Physicians and midwives shall, within forty-eight hours after the birth of every child in cases of which they are in charge, mail or deliver to the clerk or registrar of the city or town in which the birth occurred a notice stating the date and place of the birth, giving the street number, if any, the number of the ward in a city and the family name. Failure to mail or deliver the said notice shall be punishable by a fine not exceeding twenty-five dollars for each offense.

In accordance with the provisions of the law, the Town Clerk is prepared to furnish to parents, physicians, and midwives applying therefor, blanks for return of births as required.

---------------------	--------

For the benefit of the owners and keepers of dogs the following extract of the General Laws is submitted:

General Laws, Chapter 140

Section 137. The owner or keeper of a dog which is three months old or over shall annually, on or before March thirty-first, cause it to be registered, numbered, described and licensed for one year from the first day of April following.

The owner or keeper of a licensed dog shall cause it to wear around its neck a collar distinctly marked with its OWNER'S NAME and its REGISTERED NUMBER.

Section 138. The owner or keeper of a dog may at any time have it licensed until the first day of April following, and a person who becomes the owner or keeper of a dog after April first, which is not duly licensed, and the owner or keeper of a dog which becomes three months old after March thirty-first in any year, shall, when it is three months old, cause it to be registered, numbered, described, licensed and collared as required by the preceding section.

(Example under Section 138 above.) If a dog is born on August 1, 1932, he becomes three months old on November 1, 1932, and should be licensed on that date for the period November 1, 1932, to April 1, 1933 (when it becomes necessary to re-license him for the year April 1, 1933, to April 1, 1934.)

Report of the Board of Registrars of Voters for 1932

Organization:

Frank A. White, Chairman
Luther E. Swift
Sigfrid V. Ledin
Harry R. Franklin, Clerk

Meetings for registration prior to Town Meeting were held February 16, 18 and 24th; total registrants, 161. New check lists were necessary and prepared for Town Election.

Names checked at Town Annual Business Meeting: Precinct One, 62; Precinct Two, 326; Precinct Three, 77; total, 465.

Names on nomination papers of candidates for offices at Town Election and North Easton Village District Annual Election were certified.

April 6th; as required by Statute, one session was held at the Town Clerk's Office prior to Presidential Primaries; 13 names were added to the Check List.

Special Voting Lists with party designations were prepared for the checkers at the Presidential Primaries.

July 22, 29th, and Aug. 5 and 12 the names were certified on State Primary nomination papers.

August 31st, one session was held at the Town Clerk's Office previous to State Primaries; 70 were registered at this meeting.

State Primaries, Sept. 20th; special check lists with Party designations were prepared.

Meetings prior to State and Presidential Election:

Infirmary, October 11th,	11 names added
So. Easton Schoolhouse, October 13th,	17 names added
Town Clerk's Office, October 19th,	116 names added
Total	144

In preparang new check lists for the Election of November 8th over 250 additions and corrections were necessary.

Check lists of Registered Voters of Easton as at the close of registration October 19, 1932;

Precinct One	Men	199	
	Women	179	378
Precinct Two	Men	907	
	Women	896	1803
Precinct Three	Men	308	
	Women	272	580
Total Voters			2761

Petitions for a recount of ballots cast at the Election of November 8th for the offices of Lieutenant Governor and Sheriff of Bristol County having been filed in due form with the Registrars, the same was held at the Town Clerk's office Saturday, November 19th. Result, net change: For Lieutenant Governor, Bacon gained 9, Dawson lost 1, Hutchins gained 2 and Blanks lost 10. (Swift's vote unchanged at 700) For Sheriff: Dupuis gained 5, Talbot gained 2, all from Blanks.

A State-wide recount of the ballots cast November 8th for the office of Secretary of State having been ordered, the same took place at the Town Clerk's office, Saturday, December 10th. Result: Buckley lost 4, Cook gained 7, Coolidge gained 1, Lerney lost 2, Waterman, no change, Blanks lost 2.

HARRY R. FRANKLIN,
Clerk of the Board.

Report of the Tree Warden

To the Citizens of the Town of Easton:

The following is a report of the Tree Department for the year 1932.

The outbreak of Elm Leaf Beetle continued in 1932, and although not as bad as in 1931, it extended over a larger area. The beetle is again noticeable throughout eastern Massachusetts and parts of Vermont, New Hampshire and Maine. Arrangements should be made whereby all private Elms, as well as the street Elms, can be sprayed this year. It does very little good to spray a street Elm, and leave one or more private Elms nearby.

Thirty trees, besides several taken out for thinning purposes, were removed this year. Of these seventeen were posted, and fourteen removed after a hearing, three being left to take out in 1933. The remainder of the thirty were removed because of a dangerous condition, or on account of traffic conditions. Besides the three trees already posted, there are eight others waiting to be removed. Funds would not permit of this work this year.

But three trees were planted this year to take the places of ones taken out.

An unusually large amount of dead wood was found in the trees this year, and more than the usual amount of trimming was required. Nearly all the streets of the town were covered, except some of the outlying sections, and these were gone over for dangerous limbs or those interfering with traffic. Necessary bolting was done, but very little cement work. Much is needed.

The wire companies, with the exception of the Postal Telegraph, have done no trimming this year except on new construction or rebuilt lines.

The Edison Electric Illuminating Company has asked for no trimming this year except as stated. Several reports have been circulated that the Tree Warden has refused this company trimming, with resultant poor service. Such reports are untrue. No maintenance trimming has been asked for this year.

I would again call to your attention the fact that there are several trees along our streets which should be removed as recommended last year. They are becoming dangerous, but their removal is expensive, and the necessary dead wood trimming must take precedence as still more dangerous, where funds are not sufficient for both branches of the work.

Tree planting may well wait until conditions improve.

Fifty days' work was given by this department to men supplied by the Welfare Department. The regular employees of the Tree and Moth Departments have averaged for the year less than half time work.

I recommend for use of the Tree Department in 1933 the sum of \$2500.00.

Appropriation	\$2500.00
Expended	2499.56
Unexpended balance Dec. 1, 1932	.44

For a detailed account of the expenses of this department, see the Town Accountant's report.

Respectfully submitted,

ROSCOE W. MELENDY,

Tree Warden.

Report of the Superintendent of Moth Work

To the Selectmen of the Town of Easton:

I submit the following report of work of the department for the year 1932.

The Gypsy Moth conditions as noted on the scout as far as completed are as follows. North Easton, Unionville, Easton Centre, South Easton and Eastondale villages show a slight increase over last year, a very general scattering of egg clusters along the main highways. The southwest and west sections of the town bordering Mansfield and Sharon are quite generally infested, with two large colonies, one near the East Mansfield line and one near the Sharon line.

The usual creosote work and spraying were carried on as far as funds allowed. The reduction of the appropriation to \$1000.00 would not permit of the spraying of a belt along the infested areas of Mansfield and Sharon. We were, however, able to hold the spread in check through creosote work, so that no trees were defoliated, and in but one or two places was any amount of feeding noticeable.

Outlook for 1933. The entire Cape section below Bridgewater was badly infested in 1932. Many thousands of acres were completely stripped of foliage. This included the pine trees in many places and in one town even the gardens.

To the southwest defoliation was bad on many acres in Rehoboth and Norton, and to the northwest, directly over the line in Sharon. With these conditions surrounding us, we must expect a much heavier infestation this year, and an adequate spray program should be carried on, that we may not

find ourselves in the same condition as our neighboring towns.

But two Brown Tail Moth webs have as yet been found.

The Japanese Beetle has been found in Brockton and Sharon, but as yet none located in Easton.

There were but few Tent caterpillars, but the Fall web worm showed a decided increase throughout all Eastern Massachusetts.

The department truck is still in very good condition, is used by both Tree and Moth departments, and with a snow plow for Highway clearing of snow.

It is possible to give work to the unemployed in some branches of the work, and I would recommend that for the year 1933, the town liability, \$2338.70, be raised and appropriated for this work and that \$1000.00 of this amount be used in giving work to the unemployed.

Appropriation	\$1000.00
Expended	997.14

Unexpended balance	2.86
--------------------	------

For expenditures in detail, see Town Accountant's report.

Respectfully submitted,

ROSCOE W. MELENDY,
Supt. of Moth Work.

Report of the Board of Health

To the Citizens of the Town of Easton:

The number of diseases dangerous to the public health reported in 1932 was one hundred twenty-eight, as follows: Measles, forty-three; Mumps, twenty; Scarlet Fever, nineteen; Chicken Pox, sixteen; Whooping Cough, thirteen; Lobar Pneumonia, seven; Pulmonary Tuberculosis, three; Septic Sore Throat, one; Influenza, one; Malaria, one; Dog Bite, four.

The deaths from reportable diseases were six—four from Lobar Pneumonia; one, Pulmonary Tuberculosis; and one, Influenza.

The number of deaths of residents of Easton from all causes was sixty-two, a death rate of 11.7 per thousand, based on a population of 5,298.

The number of births was eighty, a birth rate of 15.1 per thousand.

The expense of the board for the care of Tuberculosis patients during the year was \$2,339.70, which is much larger than usual. During the year we have had ten patients at the Bristol County Tuberculosis Hospital and one at the Lakeville Sanatorium. There are now in the Bristol County Tuberculosis Hospital six patients.

By reason of the large expense incurred on account of Tuberculosis, our appropriation was not large enough to pay it in full, so that there were hospital bills remaining unpaid at the end of the year amounting to \$624.00.

We had hospital bills for other contagious diseases amounting to \$263.00, making a total amount for the care of Tuberculosis patients and other hospitalized cases of \$2602.-

70. While the full expense for the care of such patients must be paid by the Board of Health in the first instance, this amount does not represent the net cost for this purpose by the town, as there were receipts on account of Tuberculosis subsidy, reimbursement for hospital care of State patients and patient having settlement in Brockton, and from individuals, amounting to \$1,267.17.

The town will receive as reimbursement during the present year \$1,465.35. These amounts, however, go into the general fund of the town and are not available for use by the Board of Health.

If the six patients who are now in the hospital remain there during the year, the amount which the Board of Health will have to pay for their care will be \$2,847.00.

In 1928 a campaign was begun to immunize the school children against Diphtheria, and this work has been carried on every year since through the cooperation of the Board of Health and the School Department. During the first years, the work was done by physicians connected with the State Department of Public Health, assisted by Dr. Robert B. Porter. For the last two years, this work has been done for the local Board of Health by Dr. Porter.

An examination of the records of the board shows that this campaign for the prevention of Diphtheria has been very effective.

In 1927 we had seventeen cases of Diphtheria with two deaths. Sixteen of these cases were children ranging in age from two to twelve years, and one was an adult.

In 1928 we had nine cases of Diphtheria with one death. The patients ranged from three to sixteen years. Eight of these cases occurred in January and February of 1928, and one in June. This was before the immunization campaign started.

In 1929 we had two cases of Diphtheria, both of whom were adults. In 1930 there was no case reported to the board. In 1931 there were two cases reported, both children under school age, and in 1932 there was no case of Diphtheria reported.

It therefore appears that since the immunization of school children began in the fall of 1928, no child of school age has been reported to have had Diphtheria in our town. Of course, all the children have not submitted to the immunization treatment, as it is necessary to have the parents' consent in order to give them treatment. In view of the satisfactory results attained throughout the country in immunizing against Diphtheria, no parent should hesitate in giving his consent to have his child treated.

Licenses issued by the board in effect in 1932 were as follows: Milk licenses and permits, one hundred fourteen; manufacture of non-alcoholic beverages, one; Slaughtering license, one; Denatured Alcohol, six; Oleomargarine, one; Garbage Collectors, three; permits to keep Swine, ten; Manicuring and Massage, six. There were fifty four burial permits issued.

We append the report of the Milk Inspector and the report of the Inspector of Slaughtering.

Respectfully submitted,

DAVID J. O'CONNELL,
FRANK E. TILDEN,
CORA M. HENNIGAR,
Board of Health of Easton.

Report of the Inspector of Milk

North Easton, Mass.,
December 31, 1932.

Mr. D. J. O'Connell,
Chairman, Board of Health,
Easton, Mass.

Dear Sir:—

The following is the report of the Milk Inspector for the year 1932:

Total number of samples tested for butterfat	151
Total number of samples tested for total solids	151
Total number of samples tested for solids not fat	151
Total number of samples plated for bacteria count	151
Total number of samples found below standard in butterfat	6
Total number of samples found below standard in total solids	7
Highest average butterfat content for the year	4.70
Lowest average butterfat content for the year	3.30
Highest average of total solids for the year	14.21
Lowest average of total solids for the year	12.03
Lowest average bacteria count for the year	6,000
Highest average bacteria count for the year	146,000
Number of vehicle licenses issued	17
Number of licenses issued to stores, restaurants, and roadside stands for sale of milk	32
Number of farms inspected	65

Respectfully submitted,

LEO J. FITZPATRICK,
Inspector of Milk.

Report of the Inspector of Slaughtering

To the Board of Health of Easton:

I herewith submit my report ending December 31, 1932.

During the year I have inspected two carcasses of Beef, twenty-five carcasses of Veal, and four carcasses of Swine.

J. CLINTON GOWARD,
Inspector of Slaughtering.

December 31, 1932.

Report of the Inspector of Animals

To the Selectmen of the Town of Easton:

I herewith submit my report for the year ending December 31, 1932.

During the year I have inspected six hundred and two cows, one hundred and thirty-three young stock and twenty-nine bulls.

I have also inspected the buildings in which the above cattle were housed.

J. CLINTON GOWARD,
Inspector of Animals.

January 10, 1933.

Report of Sealer of Weights and Measures

To the Selectmen of the Town of Easton:

I submit the following report of the work of the Sealer's Department for the year ending December 31, 1932.

	Adjusted	Sealed	Not Sealed	Con- demned
Platform Scales over 5000 lbs.	2	3		1
Platform Scales under 5000 lbs.	5	16		
Counter Scales under 100 lbs.		14	3	
Beam Scales		1		
Spring Scales over 100 lbs.	3	9		
Spring Scales under 100 lbs.	8	27		1
Computing Scales under 100 lbs.	6	14		
Personal Weighing scales		1		
Avoirdupois Weights	10	74		
Vehicle Tanks		1		
Liquid Measures		67	7	
Oil Jars		117		
Dry Measures		6		1
Gasolene Measuring Pumps		80	5	6
Gasoline Measuring Meters		2		
Kerosene Measuring Pumps		7		1
Oil Measuring Pumps		11	78	5
Molasses Measuring Pumps		1	2	
Quantity Measures on Pumps		463		
Yard Stick		1		
Tapes		1		

Inspections:—

Transient Vendors	16
Pedlers' Licenses	10
Junk Dealers	2
Oil Jars	163
Milk Jars	10
Ice cream cartons	7
Berry Baskets	4
Other Inspections—Roadside Stands, Poultry Men, etc.	20
Gas Pump Re-tests	70
Re-weighings	36

Owing to the general business conditions of last year, the gasoline pumps which I tagged "Not Sealed" and "Condemned" will not be in operation until the Spring of the present year, thus affording additional revenue in the year 1933.

Appropriation	\$500.00
Expended	486.60
Unexpended Balance	\$ 13.40
Receipts 1932	\$ 88.88
Net Cost of Department to Town	\$397.72

Respectfully submitted,

PATRICK J. READDY,
Sealer of Weights & Measures.

October 15. Brush fire, North Main St.
October 31. Small house, Day and Barrows St.
November 6. Woods fire, Elm St.

- November 20. Chimney fire, Wilcox, Center St.
November 30. Automobile, Willis Garage
December 1. R. Watts, lumber, Center St.
December 12. Chimney fire, Irving's, Central St.
December 16. Chimney fire, T. Sheehan, Washington St.
December 20. Chimney fire, M. Howard
December 25. Shed fire, H. E. Simpson, Depot St.
December 27. Automobile fire, Mechanic St.

Respectfully submitted,

DANIEL LORDAN,
Chief of Fire Department.

Report of the Police Department

E. T. ELLIS, Chief of Police

January 11, 1933.

The Selectmen of Easton,
Mr. Leonard H. Porter, Chairman

I respectfully submit my report as Chief of Police for the year ending December 31, 1932.

There were 327 complaints and accidents investigated, 146 complaints prosecuted in Court, 32 services made for out-of-town police, three boys and one girl returned to the proper authorities, property valued at \$867.50 was reported as stolen, property valued at \$264.00 was recovered, property valued at \$2,150.00 which was stolen out of town was recovered.

Following is description of Court cases:

- 2 Assault and battery
- 5 Begetting
- 2 Breaking and entering building, larceny
- 1 Capias
- 19 Drunkenness
- 1 Desertion
- 20 Failure to obey traffic signal
- 14 Failure to slow down at intersection of ways
- 2 Failure to stop on signal of officer
- 2 Going away without giving name after causing injury to person
- 5 Improper equipment on auto
- 1 Keeping and exposing liquor
- 1 Liquor nuisance
- 3 Lewd and lascivious cohabitation
- 4 Larceny
- 3 Neglect to provide
- 18 Operating automobile negligently

- 5 Operating automobile under the influence of liquor
- 4 Operation of automobile impeded
- 7 Operating automobile without license
- 3 Operating automobile without registration
- 2 Peddling without license
- 1 Suspicious person
- 3 Trespassing
- 12 Violation of law of the road
- 3 Violation of probation
- 3 All other violations

Yours respectfully,

E. T. ELLIS,
Chief of Police.

Report of the Dog Officer

To the Selectmen of Easton,
Leonard H. Porter, Chairman
Gentlemen:

I hereby submit my report as Dog Officer for the year 1932.

During the year I received a list of one hundred and forty unpaid dog licenses for collection. A total of two hundred and ninety-four dollars was collected and paid to the Town Clerk.

Three dogs were killed and buried, two stray dogs were returned to their owners and three restraint notices were served.

In the performance of my duties I travelled a total of three hundred and six miles.

Respectfully submitted,

VALENTINE J. KALIUM,

Dog Officer, 1932.

Finance Committee

In times like these the burden of taxation is frightfully evident. It exists in many forms. It bears most heavily on real estate. It also extends directly to personal property, to special taxes on automobiles, gasoline, tobaccos, beverages, and commodities too numerous to mention. To incomes, inheritances, legal documents, increased postage, etc.

The end is not yet in sight. Even now, new sources of revenue are being sought. This means more taxes. Billions in taxes are annually poured into Municipal, County, State and Federal treasuries. Duplication of effort, extravagances and expenditures otherwise unnecessary must cease.

CONTRIBUTING FACTORS TO THIS SITUATION

Unprecedented prosperity in the years which have recently passed have engendered heedlessness in the public mind in respect to governmental expenditures. A system of State and Federal aid has been so developed as to materially contribute to and in fact to actually **invite** increased expense.

We have State and Federal aid for highways, for institutions of educational character, etc. The money is there. We say: "Let's do this or do that because we can get State money for it." Also, "If we don't get it someone else will." The urge is to spend such money and the vicious circle widens.

WHO PAYS THE BILL?

The State and Federal governments don't create this money. It comes out of you and me and the effort of every other human being capable of performing useful service. It will never be cured until everybody, be he wealthy or poor, awakens to a full realization of the fact that taxes are paid

from human effort. No one escapes except the wilfull slackers or those who from necessity are helped from the public treasury.

OUR LOCAL PROBLEMS

In some matters of town expenditures we are hedged about by State laws or otherwise to an extent which leaves the town practically without jurisdiction as to controlling these expenditures by limiting appropriations.

We would at this time particularly include in this group public health, old age assistance, public welfare, schools, soldiers' relief, State aid, and interest on notes.

None of the expense items above enumerated can be positively controlled by the town through the medium of its appropriations. With the exception of schools, if more money is needed, it will be used whether appropriated or not.

Last year the total appropriation at the town meeting amounted to \$175,252.58. Of this amount \$99,718.09 or nearly 55% of the total appropriation falls outside those groups which can be positively limited in expense to the amounts which the town votes. Your Finance Committee is, of course, less powerful in this respect than the town.

REMAINING ITEMS

The remaining items of major importance relate to Roads, Salaries, Police Department, Fire Department, Town Infirmary, Moth and Tree Departments and Town Reports.

ROAD DEPARTMENT

In respect to the road department we will say that your Finance Committee does not recommend a decrease in this appropriation at this time. Considerable money has been here used in giving occasional employment to many who

otherwise would necessarily have been aided out of public welfare. We believe it is wiser to give employment than a dole.

SALARIES

A reduction of 10% is recommended to apply to all elected and appointed officers or employees who are serving on salary basis but not on per diem basis. The latter part of last year when the appropriation for public welfare became exhausted many of these officers made a voluntary contribution to that fund to the extent of 10% of the salary then remaining.

In several cases, particularly the Selectmen and Board of Public Welfare, the salary is very low in consideration of greatly increased labors but these officers have particularly insisted on being included with others to whom this section applies.

POLICE DEPARTMENT

The expense in this department is very largely on account of salaries. Attempts have been made to conduct this work with two regular employees. Situations frequently arise clearly demonstrating that proper service cannot be reasonably available for districts outside North Easton unless three are employed. Officers can't work all day and all night also.

FIRE DEPARTMENT

A substantial amount of last year's appropriation was unexpended. Officers in charge economized by deferring purchases of new hose and other incidentals. While this reduced expense record is desirable and commendatory we believe that the sum recommended this year should be appropriated and gradual replacements made as good judgment may dic-

tate, rather than defer them to a point of danger when a very large appropriation would be necessary to again place the equipment in proper order.

Also the fire alarm system should be extended to the fire station at South Easton, not only to improve the service but to comply with municipal fire engineering requirements.

TOWN INFIRMARY

Small chance for saving in this department. The Infirmary cannot well be dispensed with.

MOTH AND TREE DEPARTMENT

We do not believe these appropriations should be cut below the figures recommended. The State considers that each town should appropriate a definite percentage of its valuation for this work. In the case of Easton, that would be \$2,338.70. The amount recommended is \$1,000 which is the same as last year. The Tree Department appropriation has been reduced \$500. Public Welfare employees could be used to some extent in this department and the Town may prefer that this item be not reduced from last year.

TOWN REPORTS

An expenditure of about \$500 is here involved. It is a contract price subjected to bids and apparently cannot be reduced.

OVERDRAFTS IN 1932

Under emergency regulations overdrafts were paid on the following accounts: Public Welfare, \$4,775.26. Soldiers' Relief, \$913.01 ; State Aid, \$24.00. These amounts together with transfer of \$1,582.42 from the Emergency Fund to Soldiers Relief shows expenditures of these particular departments to the extent of \$7,294.69 above the appropriations.

SUMMARY OF CHANGES

The items which involve **increases** in appropriation over last year are as follows: Public Welfare, \$4,500.00; Soldiers' Relief, \$2,800.00; State Aid, \$20.00; Unpaid Bills, \$718.00; Total \$8,038.00.

The **decreases** are as follows: Salaries, approximately \$1,740.00; Election Expense, \$575.00; Fire Department, \$500.00; Interest on Notes, \$1,000.00; Old Age Assistance, \$500.00; Schools, \$8,727.75; Town Infirmary, \$300.00; Tree Department, \$500; Town Reports, \$60.00; Total, \$13,902.75. This represents a **net decrease** of \$5,864.75 between the appropriations recommended for last year and those for 1933.

Report of the Board of Selectmen

To the Citizens of Easton:—

We respectfully submit our report for the year ending December 31, 1932.

The demand for work on our highway department in 1932 has surpassed all previous years. With \$4,263.35 less income from the Ames Highway Fund in 1932 than the previous year, and having in mind that a Chevrolet Truck costing \$875.00 and also that Easton's share of the cost of installing the lights at Alger's Corner was \$944.00, making a total \$6,082.35 less money for road work in 1932 than in 1931; is in this board's opinion responsible to a great degree for any overdraft on Public Welfare.

During the past year the entire length of South Street and part of Highland were given a permanent surface. Randall Road, Massapoag Avenue, Allen Road, Poquanticut Avenue and Highland Street were graveled so as at the present time there are very few roads in our community that are not passable without danger of getting mired.

A curve at the junction of Summer Street and Randall Road was widened.

Lincoln, Day, Sheridan and Spooner Streets have all been widened with permanent surfacing.

A retaining wall on Lincoln Street that had caved in when the street was being widened had to be rebuilt; also a wall on King Avenue was extended to make the street wider.

A drainage condition on Depot Street, existing for a considerable period of time has been eliminated by running a pipe from Church and Depot Streets to the State Highway.

The brush on the sides of our highways, this year as previously, has caused considerable attention.

So far as possible the highway appropriation went for wages in 1932, however it has now come to a point where a great many of our permanent surfaced roads must be re-oiled; and we feel that 1933 should not go by without this being done.

If any permanent surfacing should be undertaken 1933, the following streets should be kept in mind: Church Street, Short Street, Rockland, Highland and North Main Streets.

During 1932 we have had to care for sixteen (16) cases under Soldiers' Relief, ten (10) of them residing in Easton with settlement here; and six (6) residing outside of our community with Easton settlement. This is an increase of six (6) cases over the previous year. Our appropriation for this department was less in 1932 than in 1931 and, with increased number of cases, is in our judgment responsible for any overdraft.

The laws governing settlements in Soldiers' Relief differs from those pertaining to Public Welfare in that a veteran does not lose his settlement in a community unless he has acquired one in some other municipality by living there five years. Under Public Welfare a settlement is lost after being away five years regardless of whether he has gained a settlement elsewhere.

The reports of the various departments over which this board has jurisdiction will be found under their respective headings.

In view of the increased demands for relief in its several forms and realizing the great difficulty most taxpayers are having in meeting their obligations, we urge that all appropriations for 1933 shall be no more than actually necessary for efficient operation of the various departments.

We feel deeply the loss to the town in the death of Mr. Frank P. Keith, for many years a faithful town officer and exemplary citizen.

LEONARD H. PORTER,

JOSEPH W. LINEHAN,

FRANK C. WADE,

Board of Selectmen.

Report of the Board of Public Welfare

To the Citizens of Easton:

We respectfully submit our report for the year ending December 31, 1932.

During the year 1932 aid was rendered in 104 cases outside of the Town Infirmary, subdivided as follows:

Cases residing in Easton with settlement here	84
State cases living in Easton	9
Cases living in Easton with settlement in other cities or towns	11

Two of the above cases living in Easton are classified under Mother's Aid, one-third of the amount expended on these two cases is reimbursed by the Commonwealth. On State cases the Commonwealth reimburses in whole. Cases residing in Easton with settlement in another city or town are also reimbursed wholly by the city or town of settlement.

At the close of the year there were six (6) inmates at the Town Infirmary, an increase of two over the previous year.

As of December 31, 1932 we had thirty-five (35) cases that were receiving Old Age Assistance. Four (4) of these cases have a settlement outside of Easton. The average amount paid per case for 1932 under Old Age Assistance was \$15.32 a month.

We wish to take this opportunity on behalf of our townspeople of thanking Mr. and Mrs. John S. Ames, Mrs. Louis

A. Frothingham, Mrs. Oliver Ames, Mrs. William H. Ames, and Mr. Frank Wade for their assistance in aiding the needy during 1932, and to all others whose names have not been called to our attention.

The cooperation of Mrs. Earle and Miss Bulmer, community nurses, is also gratefully acknowledged.

The demand for aid in 1932 has exceeded all other years. We have tried to consider each case solely on its merits having in mind that no one should suffer from actual want and that the tax payer should not be unnecessarily burdened.

Cases Not Receiving Cash Aid

The following merchants received the amounts set opposite their names.

Swift Bros.	\$432.30
A. E. Fuller	110.00
Frank Spillane	39.60
C. J. Harvey & Sons	980.94
H. Y. Mitchell Co.	1,495.63
The Great A. & P. Tea Co.	715.57
Eugene Farrow	265.93
J. E. Howard & Son	791.03
W. E. Kimball	269.83
W. A. Smith	45.98
William J. Knapp	99.60
McCarthy Coal Co.	291.50
Kenneth Mitchell	1,002.78
Frank McMenamy's	1,381.92
J. O. Dean Co.	205.18
E. W. Ericson	341.39
Easton Public Market	32.00
Milton Anderson	53.62

Mitrano's Market	13.50
Hannah Pomeroy	24.00
E. L. Coughlin	74.05

Applicants receiving Public Welfare patronize merchants of their own choosing.

Respectfully,

FRANK C. WADE, Chairman,

JOSEPH W. LINEHAN,

LEONARD H. PORTER,

Board of Public Welfare.

Report of the Committee to Investigate School Expenditures and Administration

In our previous report this Committee recommended that a bill for instruction be filed in the Probate Court asking the Court to determine with certainty the obligation of the Town in respect to the Oliver Ames School Fund under present conditions. The bill was filed and the following decree was issued by the Court:

'The petitioner is hereby instructed that in order to comply with the conditions in said will it shall appropriate each year for the support of its schools from the funds raised by it from local taxation an amount per pupil equal to the average amount per pupil in net average membership expended by all the towns in the Commonwealth from local taxation in the previous year as computed by the Department of Education of the Commonwealth of Massachusetts.

That in computing the number of its pupils it shall take the net average membership of its schools for the previous year as computed by said Department of Education and deduct therefrom the number of pupils in the kindergarten grade, which grade is not supported by taxation.'

As a result of this decree the amount necessary to comply with the terms of the bequest was found to be \$89,058.09. This was a saving of \$3,395.91 below the amount of \$92,454 first requested by the School Committee. In 1932 the decree only applied to the appropriation for the last four months of

the year. The effect of the decree is better reflected by the fact that in 1932 under the former interpretation of the will the School Committee requested an appropriation of \$92,454, while in 1933 the appropriation requested is \$80,331, or \$12,123 less. The latest figures available for computing the average cost per pupil are for the year ending December 31, 1931. We can look forward to a further reduction in per pupil cost when the 1932 figures are available for computing the school budget for 1934.

EXPENDITURE PER PUPIL AVERAGE MEMBERSHIP
EXCLUSIVE OF GENERAL CONTROL

Average for Group 2 (including Easton)

	Year Ending	
	June 30 1931	June 30 1932
Elementary Schools	\$75.16	\$76.59
Town of Easton Elementary Schools	73.35	68.06
Average Group 2 Junior High	99.55	99.43
Town of Easton Junior High	132.84	119.50
Average Group 2 Senior High	127.61	133.14
Town of Easton Senior High	141.88	153.40

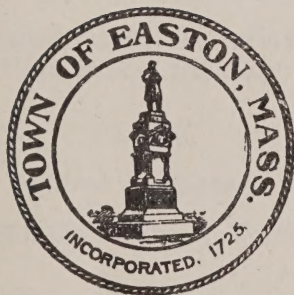

This comparison shows that the cost per pupil in the elementary schools which was low in the previous year has been further reduced. The cost per pupil in the Junior High School was reduced \$13.34, while the cost per pupil in the Senior High School was increased \$11.52. This table also shows that in reducing the appropriation for school purposes the Town has not imperilled our schools. It shows that the amount available in Easton is sufficient, with careful planning and intelligent application, to maintain schools of high efficiency. The recommendations made in our previous report are being acted upon and carried out in part.

The School Health work is on the same basis as last year. As pointed out in our former report, the children have to a large degree lost the free corrective work done by the Red Cross and District Nursing Committee, and the expense to the Town is greater under the present system.

Respectfully submitted,

JOHN S. AMES,
MILTON I. ANDERSON,
EDGAR A. CRAIG,
SHELDON B. GOODRICH,
CHARLES F. McCARTHY,
DAVID J. O'CONNELL.

SCHEDULE OF "NO SCHOOL" SIGNALS

The sirens of both the North Easton and the South Easton fire stations will be used to sound the signal. The "no-school" signal on the North Easton station will be two blasts sounded three times in succession (2-2-2). The "no-school" signal on the South Easton station will be one long blast sounded either at 7:15 or 8:00 a. m. Signals will have the following meanings:

7:15 a. m.—No school all day at the Junior-Senior High School.

8:00 a. m.—No school all day in the schools outside North Easton, and no morning session at the North Easton Grammar School.

12:45 p. m.—No school for the afternoon session at the North Easton Grammar School.

Annual Report of the School Committee

To the Citizens of Easton:

The School Committee herewith submits the one hundred and fifth annual report.

The year 1932 has been a trying one for those engaged in education. The disturbed financial and social conditions of necessity affected the schools. The schools, being dependent for their support upon taxation, have had to suffer with other activities. The funds available for the support of the schools in Easton for 1932 were approximately ten thousand dollars less than for 1931.

To reduce school expenses ten thousand dollars in one year, cuts had to be made in all possible places. No major reduction in the expense of any school system can be made without reducing teachers' salaries. A reduction of 10 per cent of the salaries of the superintendent, principals, teachers, school nurse, and school physician became effective September 1. Automatic increases of salaries of nine teachers were suspended. Four and one-half teaching and supervisory positions have been discontinued since September 1. A special class for retarded children was eliminated for the year. Another class for retarded children will have to be maintained, commencing next September. This is compulsory by state law. Supervisors of music and drawing have been dropped, and physical education work has been much curtailed.

We now have a smaller teaching force than at any time during the past twenty years.

Traveling expenses have been eliminated in some instances and reduced in others. Teachers' pay for sick leave has been eliminated, and the purchase of textbooks and supplies has been reduced to a minimum—an amount much smaller than will be required in the future. All repairs except those necessary have been postponed, practically eliminating permanent improvements and new equipment.

A substantial reduction was made in transportation costs. Nearly three hundred scholars are transported—about one-quarter of the school population. About 75 miles are traversed by the buses each school day in doing this work. Transportation contracts in past years have been let for one year. This year the School Committee asked for bids for three years from September, 1932. This encouraged competitive bidding.

Nine bids were received, four for all of the routes, and five for a part of the routes. A contract was awarded to Jeremiah J. Reardon for six of the routes on which he was the lowest bidder. The Poquanticut route was awarded to Arvid C. Nelson, and the route from Easton Centre to the South Easton School was given to Mrs. B. N. Cogswell; this is the same division of routes as in previous years.

The legality of these contracts was questioned by several citizens of the town. On August 11, 1932, a suit in equity was brought by twelve of the taxable inhabitants of the town against the school committee, the secretary of the school committee, the town treasurer, and the inhabitants of the town of Easton. Hearings were held in the court house in Taunton before Judge Wood. His decision was that the school committee had acted in good faith and for the best interest of the town. The court also said that the contracts were illegal because the advertisements for bids did not specify the time and place of opening the bids, and that bids were not deposited in a locked box.

The committee's procedure in advertising for bids and awarding the transportation contracts was precisely the same as in previous years. The committee knows of no criticisms having ever been made before.

In November a new bus route was added from Prior's Lunch on Turnpike Street to the Eastondale and South Easton Schools. This bus takes the grade scholars formerly carried by the Eastern Mass. Street Railway Company.

Bids were again asked for, to include the new route. All of the other routes except the one from Easton Center to South Easton, which was not involved in the legal action, were included. Eight bids were received. Contracts dated December 31, 1932 were signed, awarding seven routes to Jeremiah J. Reardon, and one route to Arvid C. Nelson. Contracts run to June 30, 1935.

The school bus routes have been shortened about four miles since last year. Four buses and one small car are being used. The cost of transporting the scholars is now \$38.10 per school day. The cost has been more than \$51.00 per school day.

Our budget which appears on another page of this report shows in detail how the school appropriation has been expended.

We wish to call attention to the receipts last year on account of the school department, as listed in the budget summary. The town received more than \$4,000.00 from various sources that the school department spent out of its appropriation, and \$13,000.00 from the state on account of teachers' salaries. This all went into the town treasury and did not benefit the schools. If this money was appropriated for school purposes, the cost of the schools from direct taxation would be that amount less.

There are three school buildings in town that are not used for school purposes, and probably will never need to be.

The old Eastondale schoolhouse and the Howard Street schoolhouse have not been used for several years; the Center School was closed last year. The Veterans of Foreign Wars have used the latter house for several months by the consent of the school committee. We recommend that these three school properties be sold.

We wish to express our satisfaction with the health work that is being done for the school children. We are much indebted to the Lions Club for their help in this work. They, with Dr. Harold Smith, have made possible the equipment of a dental room in the high school building where clinics are held for the children two half days each week. Read the superintendent's report for details of this good work.

This has been a trying and anxious year for our superintendent and teachers. Uncertainty as to the future, loss of position, reduced compensation, and additional work have been their lot. They have met this situation as they would teach others to meet it. They have maintained a splendid morale. Their influence goes into many homes.

THE 1933 BUDGET

We are requesting an appropriation for 1933 of \$80,331. The estimated income from the Oliver Ames School Fund available for school expenses is \$7,400.00. These two amounts will enable us to continue the present organization, make some necessary repairs and start a special class for retarded children next September.

BUDGET 1933		
	Expended 1932	Needed 1933
General	1,684.40	1,649.00

Outlay	459.60	300.00
Perm. Improvement	307.85	150.00
New Equipment	151.75	150.00
	\$98,034.03	\$87,731.00

BUDGET SUMMARY

A. 1932

Appropriation, Town Meeting, March, 1932	\$57,372.00	
Appropriation, Special Town Meeting, May, 1932	31,686.09	
Total of Town Appropriations		\$ 89,058.09
Receipts, Oliver Ames Fund, 1932	17,116.59	
Set aside for payment of interest on and retirement of school bonds	8,000.00	
Available for school expenses		9,116.59
Total departmental receipts		\$98,174.68
Total expenditures		98,034.03
		140.65

B. 1933

Town appropriation requested		80,331.00
Estimated from O. Ames Fund	15,400.00	
To be set aside for payment of interest on and retirement of school bonds	8,000.00	
Available for routine expenses		7,400.00
Total		\$87,731.00

C. In 1932 the following sums were received by the town and went into the general fund of the town treasury:

From the State, on account of teachers' salaries	\$13,050.00
From the State, as tuition and transportation of state wards	3,439.86

SCHOOL REPORT

17

From the City of Boston, as tuition of Boston city wards	343.33
From the State, as reimbursement in part for tuition paid trade schools	113.30
Supplies sold, telephone toll calls collected, etc.	110.88
Tuition collected from West Bridgewater pupils	40.55
Total	\$17,097.92

If the above amount could be applied to the 1933 budget, the cost to the town by direct taxes for the year would be \$63,233.08, (\$80,331.00—\$17,097.92—\$63,233.08).

Respectfully submitted,

HEMAN HOWARD, Chairman,
ARTHUR F. ANDERSON,
EDGAR A. CRAIG,
MARY L. HOWARD,
EDWARD J. McNAMARA.

Report of the Superintendent of Schools

To the School Committee of Easton:

Herewith is submitted the report of the Superintendent of Schools for the year ending December 31, 1932. It is the forty-seventh annual report in the series of reports from this office, and the eighth prepared by the present writer. It will attempt briefly to summarize and evaluate the year's achievement in the school department and to present some problems and needs of the near future.

EDUCATIONAL ACTIVITIES CURTAILED

Perhaps the outstanding feature of the year 1932 in this department was the curtailment and adjustment of the activities and organization of the department to meet the economic demands of the times. Exclusive of income received from the Oakes Ames Fund but including income from the Oliver Ames Fund in each case, school expenditures in Easton dropped from \$108,121.01 in 1931 to \$98,034.03 in 1932, and the budget for 1933 calls for only \$87,731.00. Part of this decrease was forced by reduction in the income of the Oliver Ames Fund, and part by reduction in the amount appropriated by the town. The effect of this reduction of nearly 20 per cent in school financial support is of course of interest to all who have the welfare of the schools at heart.

The major expense of maintaining schools is the salaries of teachers. Hence this item must bear the brunt of a reduction when financial curtailment comes. All teachers, except one being paid a salary of \$1,000.00, received salary reductions of at least 10 percent, and several who had been paid in excess of the schedule received reductions in excess of

that figure. One teacher received a reduction of 20.8 percent and another was placed on half time employment with a salary reduction from \$1600.00 to \$700.00. Four teaching positions were eliminated altogether, and four teachers, each of whom had been employed two or more years in the schools, were consequently dropped. These changes were announced in June, to become effective when schools opened in September.

Other economies, some of which are only temporary, were effected through reductions in the amount of textbooks and supplies purchased, through omitting all except necessary minor repairs to buildings, through reductions in the expense reimbursement of the superintendent and the school nurse, and the elimination of the item of travel expense for special supervisors, and through reductions in the cost of transporting pupils. The salaries of the school nurse and school physician were reduced ten percent.

Such drastic changes necessitated much thoughtful study in order to insure the least possible injury to the educational opportunities of the school children. To say that the schools are now doing as much for the children as was done before these economies were effected would, of course, be absurd. The special supervisors of music, art, and physical education have been withdrawn entirely from the elementary schools. Instruction in these three subjects is being carried on by the regular classroom teachers. Abilities of classroom teachers in these special subjects vary greatly. In some rooms the absence of visits from the special supervisors will not be seriously missed for a year or two, while in other rooms their absence results in a decided drop in the quality of work done in these subjects. One elementary teacher may be strong in music and weak in physical education; another may be strong in art and weak in music. The importance of these three special subjects in their effect in enriching the life of the individual is recognized by all who honestly consider the facts. They are as genuinely educational as the three R's.

The teaching loads of many of the teachers have been increased due to larger classes. The principal of the North Easton Grammar School now teaches 62½ percent of the school day, the principal of the High School 50 percent of the school day and the assistant principal of the High School in charge of the Junior High grades (Miss Conley) 50 percent of the school day. The greater amount of teaching by the principals reduces the amount of time which they have for general supervisory procedures or for conference and guidance with individuals who are more or less problem pupils.

The class for mentally retarded children has been discontinued for the present school year, due to the small number of children required to attend it. The state law requires a town to maintain such a class provided there are ten or more pupils in the town who have been assigned to the class by one of the state's traveling clinics. The results of the clinic held in the fall brought into this classification an additional number, so that the class will have to be re-established next September.

The course in Guidance given last school year in grades 7 and 8 has been discontinued because of a lack of teacher time. The program of club work for junior high school pupils has been omitted this year for the same reason. With the exception of the guidance course, club work and the special class for retarded children, all subjects in the curriculum, from the kindergarten through grade 12, which were offered during the last school year are still being continued. While with these exceptions there has been no contraction of the school curriculum, the fact remains that the schools cannot do as much for the children as was done prior to September, 1932. The reduction is in quality rather than quantity, for the most part. This reduction in quality may not be so obvious to the casual observer, but those who are doing the work are fully conscious of it. The opportunity to work with the individual, to adapt instruction to individual needs, and to counsel and guide the individual in his attempts to adjust himself as a

member of a group, is lessened in proportion as the numbers in a class are increased, and in the case of principals, in proportion to the increase in the number of periods assigned to classroom teaching.

In spite of the rather pessimistic tone of the above paragraphs, I believe that the schools of Easton are still good schools. The instructional staff is as acutely conscious of the economic situation as any other group of citizens. The curtailments made necessary in the school system have in no instance, so far as I know, lessened the morale of the teachers or reduced their efforts for Easton children. Their cooperation in putting through these changes has been complete in every instance. It is a fact that many of our Easton teachers today, instead of doing less work for reduced pay, are exerting especial effort in an attempt to eliminate so far as it is in their power the injurious effects of a major business depression on the education of the present generation of the town's school children.

HEALTH ACTIVITIES

The scope of health work in the schools has been broadened during 1932, the first full year in which a full time school nurse has been employed. A very brief summary of the major health activities is given below.

Diphtheria Prevention Clinic. In March about 150 children were given the Schick test to determine whether or not immunity had developed. In March and April 129 children were given the three toxin-antitoxin injections to produce immunity to diphtheria. A total of 748 children has now been treated with toxin-antitoxin since this clinic was started in 1928, and only two cases of diphtheria, so far as we can determine, have occurred in town during this period, and these persons were individuals who had never been in the clinic. A considerable number, for whom figures are not available, has been shown to be immune by the Schick test given before

innoculations, and these children are not included in the above figures. This clinic is held annually.

Tuberculosis Clinic. This clinic is held annually, a staff from the State Department of Public Health doing the work in cooperation with our own school nurse. The 1932 clinic was held in the winter. Sixteen old cases and eighteen new patients were examined. All of the old group and all but one of the new group were X-Rayed. All but one of the old group showed improvement. Of the new group, one case showed active tuberculosis of the lungs. This case was immediately segregated from the rest of the pupils and has been placed in the Attleboro Sanitarium, where improvement is being shown.

Dental Clinic. Dental defects have always been common among school children, partly because of the expense of dental treatment and partly because of failure of many parents to realize the importance of good dental care. In her report, the school nurse says: "About three-fourth of the entire school population was suffering from defective teeth. The school, therefore, set about a new educational program for re-education in the care of the teeth. Great effort was made, not only to get the children to brush the teeth, but to learn proper foods to eat, thereby reasoning from cause to effect. The needs of going to a dentist at least once a year were pointed out. We expect this year to conduct a larger program than ever before, by operating a school dental clinic within the school itself."

During the school year 1931-32 an intensive drive was made to secure as high a percentage of dental corrections as possible. Drs. Dunley and Smith, through arrangements with the Easton Lions Club, made a dental examination and charted the dental defects of each pupil enrolled in all the schools of the town. From this point the work was in the hands of the parents, as no clinic was then available. In spite of the lack of a dental clinic, thirty-two percent of all the children

enrolled in the public schools had all needed dental work completed during the school year. With the dental clinic facilities now available, we hope to reach a higher percentage of corrections in the school year 1932-33.

Through the interest and public spirit of the Easton Lions Club, a dental chair, dental engine, sterilizer, etc., have been provided for a school dental clinic. The only cost of this clinic to the town was the expense of connecting water and installing a drain pipe. Dr. Harold Smith is giving the clinic two forenoons weekly at very nominal reimbursement. He has also given the clinic a storage cabinet for dental tools and supplies, and for the present is loaning tools and necessary supplies. Since the receipts from the clinic, at 50c per treatment, are more than ample to pay the dentist, it is planned to use the surplus for purchase of supplies and equipment for the clinic, eliminating eventually the need of borrowing tools from the dentist's office. Later some of this surplus should be available for charity work along dental lines.

The Summer Round-up. The first annual "summer round-up" was held in May. Included were all children who were to enter grade one the following September, except those already enrolled in the kindergarten. Sixty-four children were examined, fifty-two by the school physician and twelve by personal physicians. The kindergarten children had previously been examined in the regular fall examinations. The object of the summer round-up is to have the children enter grade one in the fall in as good physical condition as possible. The examination in May detected any remedial defects early, and gave opportunity for their correction during the summer.

Sight and Hearing Defects. The school nurse has retested cases of sight and hearing defects as discovered by the class room teachers' tests. Where parents were unable to have serious vision defects remedied, the Easton Lions Club has provided the funds. Eleven cases have been sent by them to the Eye and Ear Infirmary in Boston. Where glasses

would help, they have been provided for those whose parents were financially unable to furnish them.

Mid-Morning Lunches. These lunches, consisting of a half-pint of milk and two graham crackers, have been made available during the colder months of the year to all elementary children, except at Poquanticut School. The school nurse and the classroom teachers have urged those who are underweight to purchase the mid-morning lunch. In most cases where the parents are unable to pay, the milk has been provided for these underweights from other sources. During the winter of 1932 the Easton Teachers' Club provided 47 such children with milk. At the Union School interested friends gave several pints daily.

Annual Physical Examinations. Every pupil receives the physical examination annually by the school physician. All beginners (except those in the summer round-up of the preceding spring), all ten-year-olds, all freshmen, and all members of athletic teams receive the stripped-to-the-waist examination each year. All others are given the brief examination.

Health Day Programs. These programs were held in May and June at all elementary schools except Poquanticut. Pupils at the Poquanticut School joined with those at the Union School for their program. The physically fit tags for those in whom all remedial defects had been corrected, improvement tags for those who had improved but still had remedial physical defects, and dental tags for those whose dental work had been completed were awarded just preceding the programs, and were worn by the children at the programs. For the pupils the Health Day program served as a climax to their health campaign.

Home Visiting. In her annual report, Miss Murch says: "The school nurse spends nearly fifty percent of her time in visiting homes. This part of the program is also educational, to help the mother who knows her child's needs to correct them

and to help those who do not know to see them. She does not do bedside nursing. This is done by the district nurses. The school nurse will demonstrate during school hours a treatment at any time the parent wishes help, providing the patient is a school child."

The Nurse's Annual Report. A more detailed account of the health activities, in the form of the annual report of the school nurse, is on file in the central office. It is too long to be given here, but it will be shown to any who wish to read it.

IMPROVEMENTS TO THE PHYSICAL PLANT

In the year 1932 little money was available for additions to the equipment of our schools or for improvements to the buildings or grounds. The only repair work done was in general that which could not well be delayed. Certain improvements to grounds and equipment have been made through gifts, which are gratefully acknowledged. The senior class of 1932 gave a high bar for the gymnasium, a much needed addition to our physical education equipment. Reference has previously been made to the dental equipment contributed by the Easton Lions Club and by Dr. Harold Smith. Mr. Frank S. Frazier fertilized the Eastondale School lawn. Two electric clocks and four large framed pictures have been added to the equipment of the Eastondale School and two electric clocks have been provided at the Union School through efforts of teachers and pupils. Sixty-one barberry plants were purchased and set in the angles of the walks at the North Easton Grammar School, funds raised by the school being used to pay the bills. One member of the school committee gave barberry and yew for the angles of the walks and shrubs for the front of the gymnasium at the high school, and another member gave a number of shrubs for the North Easton Grammar School grounds. The Clover Club and the Easton Garden Club gave trees for the High School grounds, and the latter organization gave twenty-six ivy plants which were set

along the west wall of the new part of the high school and the north wall of the gymnasium. The Browning Club set a tree on the grounds of the South Easton School.

From public funds the following improvements in buildings and equipment have been made:

- (1) Purchase of three gymnasium mats for the high school.
- (2) Three rooms at the South Easton School and two rooms at the North Easton Grammar School equipped with new, double roll window shades.
- (3) New cesspool built at the Union School.
- (4) Wiring of the Poquanticut School for electric lights.
- (5) Replacing the wood flagpole at the South Easton School with a steel pole.
- (6) Re-setting the flag pole at the North Easton Grammar School.
- (7) Grades 2 to 8 inclusive in all schools in town provided with new spelling books.
- (8) Sixteen old typewriters exchanged for new ones in the commercial department of the high school.
- (9) Two new radiators placed in the Unionville School.
- (10) One new radiator placed in the principal's office at the high school.
- (11) Many minor improvements.

FIFTH GRADE AT EASTONDALE

Due to a marked increase in the enrollment in grade five at South Easton, it was necessary to assign part of the grade to the Eastondale School. This building now has grades 1 to 5 inclusive.

THE HIGH SCHOOL

High School Graduates in College. No definite means of measuring scholarship standards maintained by a public school system is available to the average citizen. Success or failure in college of the graduates of the high school is frequently used by the layman as a measure of the efficiency of instruction in the public schools. While such a measure of efficiency is crude and subject to the influence of many other factors, it is generally true that a high school graduate cannot do good work in college without a reasonably good high school course as preparation. In the report for the year 1929 the statement was made that "the success of our high school graduates in college has been at least average." The excellent reports coming from the colleges to the high school principal since that time justify an even stronger statement at the present writing. The credit goes chiefly to the splendid young men and women who have achieved so much in college, but the work of our high school staff with them receives reflected credit.

The unsatisfactory angle of this situation, from our point of view, is that so few pupils in high school, comparatively, are willing to work hard enough to earn ranks sufficiently high to entitle them to certification to college in case they desire to go. While ranks of "C" and "D" count towards a high school diploma, only ranks of "A" and "B" are acceptable for certification to college.

Graduates of this high school are now enrolled in the following colleges: Bates, Bowdoin, University of New Hampshire, Simmons, Boston University, Northeastern, Emmanuel, Duke, Upsala, Massachusetts Institute of Technology, Michigan State Teachers' College, Massachusetts State Teachers' College at Bridgewater, Massachusetts School of Art, Boston College, Rice University, and Berlin (Germany) University.

College Certificate Privileges. The Oliver Ames High School is rated as a Class A school by the Massachusetts Department of Education. This rating entitles the high school to certify qualified graduates to the various State Teachers' Colleges and the Massachusetts School of Art. Our high school is on the approved list of the New England College Entrance Certificate Board, giving the school the privilege of certifying qualified graduates to any of the eleven New England Colleges and universities on its list, and to practically all colleges outside of New England. It is on the approved list maintained independently by Dartmouth College, and on a similar list maintained by Worcester Polytechnic Institute. It has the privilege of certifying to Harvard any boy who has taken a college preparatory course and who ranks among the upper seventh of the boys of his high school class. In general, the Oliver Ames High School has the same certificate privileges that any other Massachusetts high school possesses. The inability of some graduates to gain admission to college is due not to the lack of the certificate privilege by the high school but to the low marks earned by the pupil in high school. As explained above, ranks of "B" or better must be earned by the pupil if he wishes to avail himself of the certificate privilege.

The 1932 Senior Class. In June a class of 46 students was graduated from the High School. Diplomas and scholarships were awarded by Arthur F. Anderson of the School Committee. The Catherine Hobart Ames Scholarship was won by Margaret Ellen Bruce, now a student at Boston University. The Federated Clubs Scholarship went to Adelaide Walborg Johnson, who has entered the State Teachers' College at Bridgewater. The Laurel Club Scholarship was awarded to Everett Iven Hayward, now a student at Northeastern University. Nine members of the class have returned to the Oliver Ames High School for a post-graduate course, while five have entered college.

TEACHER CHANGES IN 1932

As previously stated, four teachers were dropped at the end of the school year in June through no fault of their own, because of curtailments made necessary by the financial situation. I am pleased to report that three of these teachers secured appointments in other towns, while the fourth has been married. Only two other resignations were received during the year. Miss Agnes Osgood resigned as head of the English department of the high school to accept a better paying position in Chicopee. Her place has been taken by Miss Eleanor Peabody, a graduate of Wheaton College with seven years of successful experience. Miss Margaret Murphy of the commercial department of the high school resigned at the close of the school year. Miss Veronica E. Honohan, a graduate of Salem Normal School with three years of teaching experience, has taken the position vacated by Miss Murphy. Miss Hilda Ramsay, last school year a member of the Junior High School staff, was assigned to the Poquanticut School as a result of the readjustment of the school system, and Miss Mildred O'Connor was transferred from the North Easton Grammar School to the Eastondale School for the same reason. Miss Letitia Bird, for several years a special class teacher, was given grade 2 work at the North Easton Grammar school because of the elimination of the special class for the present year. In October Miss Jessie Dix, principal of the North Easton Grammar School, requested and received an indefinite leave of absence because of ill health. During her absence Miss Mary Harvey is acting as principal, although continuing her regular teaching. Miss Cecelia Harrington, who substituted at the Union School for Miss Kellogg during the spring term, is teaching Miss Dix's grade each forenoon and doing the clerical work of the school afternoons.

CHRISTMAS EXERCISES

Christmas exercises were held in all elementary schools on the afternoon of December 23. The Unionville School and

the North Easton Grammar School held their exercises together in the high school gymnasium, and the Poquanticut and Union Schools held combined exercises at the latter school. Christmas gifts and candy, and for the North Easton Grammar School and Unionville School party ice cream and a motion picture showing of "Alice in Wonderland", were made possible through the kindness of Mrs. Mary A. Frothingham and other members of the Ames family.

PRINCIPALS' REPORTS

Reports covering the activities of their departments are on file in this office from Principal Gilman H. Campbell of the High School; Miss Mary F. Conley, of the Junior High School; and Miss Grace M. Murch, school nurse. The length of these reports makes their publication here impossible, but they deserve the careful study of School Committee members. They may be seen by other interested citizens by calling at this office.

LOOKING INTO THE FUTURE

No one can tell us how long the present economic maladjustment will continue and few wish to predict the influence of present conditions on future standards of American life. The depression in which we now find ourselves has shown that education as well as other human activities must feel the effects of economic disturbances. It raises problems in education the solution of which is difficult to point out. Present indications are that our schools must be operated for several years on a minimum of financial support. Our present organization seems to us to be down to that minimum, unless the efficiency of the system is to be very seriously impaired. Outstanding educational needs in Easton, the achievement of which must apparently await better times, are (1) the return of our special supervisors to grade school work and (2) improvements to the Union School building

and grounds. In particular do we need the services of a music supervisor for grade work. We are still of the opinion that the course in guidance for junior high school pupils, initiated in September 1931 and dropped at the beginning of the present school year, has real value for the children. With a full appreciation of the value and facilities of our public library, and of the cooperation extended the schools from that source, we still feel the need of better classroom libraries in the grade schools—in the younger grades to develop and fix wide reading interests in the individual child and in the intermediate grades both for this purpose and as reference material. No public library can have the same utility for the child during school hours as the classroom library. The enlargement and development of the playgrounds at several of our elementary schools is greatly to be desired, but accomplishment of this purpose, unless achieved through organized private effort, seems unlikely for the present.

With the limitations which the economic situation has imposed on our own as well as on most municipalities, improvements of the physical plant as suggested above are necessarily pushed to the background of our immediate aims. We can console ourselves on this point when we call to mind the fact that our buildings and equipment are now far superior to those of a majority of towns of comparable size. The major effort of the present writer has been devoted to improvement of buildings, equipment, and working conditions in general for our teachers and pupils for the last four years. It may be well, then, for us to give our greater attention during the next two or three years to a field of educational progress where improvement can be made without increased expenditure of funds—to the improvement and refinement of the educational activities which take place in the physical plant which we already have. With this as an aim, we pledge our best efforts, in the hope that the ground lost through curtailment of financial support may in part be regained through improved educational activities.

IN CLOSING

In closing this report I wish to express appreciation of the support which the schools have had from all sources during the past year. The conscientious devotion of members of the instructional staff to their work during these disturbing times is commended. You, the members of the School Committee, have given freely of your time and counsel. Our records show twenty-six formal meetings of the School Committee during the year, which in itself is evidence of your personal sacrifices for the good of the schools.

Respectfully submitted,

GILBERT C. MANN.

January 20, 1933.

LIST OF HONORS

GENERAL HONORS

Graduated with High Honors

Margaret Bruce	Alice Harvey
Adelaide Johnson	

Graduated with Honors

Esther Anderson	Blanche Johnson
Daysie Johnson	Norma Tait

A pupil to be graduated with high honors must have an average of "A" in all subjects; to be graduated with honors he must have an average of "B".

SPECIAL HONORS

High Honors

Margaret E. Bruce, English, Typewriting, Bookkeeping,
Stenography, Domestic Arts.

Alice U. Harvey, Latin, French.

Adelaide Johnson, English, French

Albert Lindsey, Bookkeeping.

Norma Tait, History.

HONORS

Eldon A. Abrahamson, Bookkeeping.

Alice U. Harvey, English.

Adelaide Johnson, History.

Blanche Johnson, French.

Daysie Johnson, Typewriting, Bookkeeping.

Amy Kew, English, History.

Norma Tait, English, French.

Mabel Waal, Stenography.

Roy E. Drew, Bookkeeping

Special honors are awarded as follows: High honors are given to pupils whose yearly marks in the particular subjects are all "A's"; honors are given to those who have received but one "B", all other yearly marks being "A". Honors will not be given in subjects requiring less than two years in the curriculum nor to any pupil pursuing a subject less than the maximum number of years.

SENIOR CLASS OF 1932

✓ Eldon Andrew Abrahamson	Daysie Elizabeth Johnson
Margaret Mary Adams	Einar Oliver Johnson
✓ Howard Alonzo Alger	✓ Harvey Arnold Johnson
Esther Christine Anderson	Ingeborg Charlotte Johnson
✓ Albert Winfield Bailey	Joel Alden Johnson
